Our Katrina experience was:

We all evacuated to Baton Rouge except some of our family who had to stay + work in the medical field. Everyone in our families lost everything. The Kids stayed in BR until school started here. They were seperated from their parents since had to stay + work in MS. We are now all together again except Mamaw is in a MS home.

Write something special that you would like Santa to bring you or your family:

Peace + Happiness. Just seeing the children happy + playing – They all lost their toys to Katrina but never their faith in Santa! [redacted]

Please use back or another sheet of paper, if you want to write more. We want to hear your story.

Return by November 30th to: (we never got it until Sat Dec 3)
